Operators State Their Position in Resolution

Reaffirm Their Acceptance of President's Proposal of Oct. 24.

Cleveland, O., Oct. 31.—The executive committee of the central competitive coal fields, employing approximately \$00,000 soft coal miners in western Pennsylvania, Ohio, Indiana and Illinois, in conference here today to take action on the nation-wide strike of miners scheduled for midnight, adopted a resolution welcoming an investigation by a tribunal appointed by President Wilson to investigate the threatened strike. The conference then adjourned.

After presenting the resolution and following its adoption by the conference, Chairman T. Brewster, of the executive committee, made public the resolution as follows:

"We have accepted in its entirety the president's proposal of Oct. 24 and reaffirm that acceptance. We welcome an investigation by a tribunal which the president may appoint, as suggested by him in the last paragraph of his statement of Oct. 26.

"We hold ourselves ready to comply at all times with any commands which the government, acting in the interests of the whole American people, may deem it wise to issue."

Birmingham Miners Will Disregard Injunction

Birmingham, Ala., Oct, 21.—United Mine Workers of America will disregard the injunction ordering them not to strike, according to J. R. Kennemer, president of the Alabama district, who received instructions from Indianapolis this afternoon to proceed with the walkout. Mr. Kennemer received the following telegram from John L. Lewis, acting president of the mine workers:

"Our position remains unchanged. Strike order issued Oct., 15 becomes effective at midnight tonight in all of its provisions. We enter this great industrial contest serens in the knowledge that our cause is just and is in conformity with our rights guaranteed by the Constitution and laws of the United States.

"JOHN L. LEWIS."

Albert Admires America:

Deeply Regrets to Leave

Norfolk, Va., Oct. 21.—Deep regret at leaving the United States and a profound admiration not only for Americans, but for all things American, were voiced by King Albert of the Belgians in the second interview he has given in this country. Standing on the bridge of the destroyer Stockton, which brought him from Old Point Comfort, he talked for half an hour on varied topics.

PLEDGES ENTIRE SUPPORT

Resolution Adopted by Congress to Support Administration.

Washington, Oct. Si.—By an overwhelming vote the house today adopted senate resolution pledging to support the 'national administration and all others in authority' in their efforts to meet "the present industrial emergency."

On the roll call, not one of the 265 members present cast a negative vote. As the senate has adopted the resolution, the house action completed its enactment as the measure does not have to receive presidential approval.
